**RUSS DIZDAR – [Shatter The Darkness](#)**

Coming out of the 60's as a dabbler in dark occultism and a practitioner of golden Buddha meditation I sought anything spiritual to find what it was I was looking for. None of the finite spirits or spirituality led me to God. It was only when a man so filled with the Spirit of God unleashed on me the message of Jesus Christ that I found my answer. When I accepted the living Christ into my life in September 1975 the blinders came off and the presence, power and love of God came in. Jesus filled my life and changed the totality of my life. Russ Dizdar, was licensed to and then Ordained to the ministry October 1978 reformation Sunday at Green Baptist Church. and has served as Sr. Pastor of 4 churches in the last 30 years... Russ was also Exec. Director of Greater Akron Youth For Christ, a Police Chaplain UNIT 78 UAPD. He is (1982) Founder and now directs Shatter the Darkness and Preemption Broadcast. See website [Shatterthedarkness.net](#). He has preached in Churches in 7 states, held training seminars and loves to do crusade evangelism. He has launched web sites and broadcasts messages that have been heard and downloaded in over 75 countries. The internet sites have gotten over 4 million hits by its 2nd year with over 700,000 downloads of

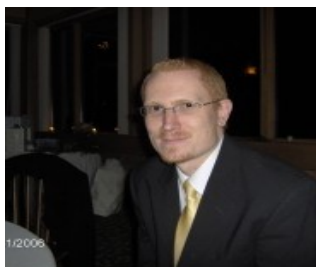

messages, teaching material with evangelistic effort and will reach 1 million 600,000 downloads of these messages for 2010. Russ has been on many radio stations for interviews most of which are archived on the web. We have been apart of ministry conferences in Michigan, St Louis, Nashville and will be in Las Vegas, Canton Ohio and Calif this year. **DEREK AND SHARON GILBERT – [P.I.D. RADIO](#)**

Besides writing, **Derek P. Gilbert** hosts the Internet radio show [View From the Bunker](#) and co-hosts [P.I.D. Radio](#) with wife, Sharon K. Gilbert. He formerly hosted *The Drive*, the #1 rated afternoon talk radio program in mid-Missouri (the stretch along Interstate 70 between Saint Louis and Kansas City). He's a Christian, a husband and father, and an author. He's in his late 40s, prefers glasses to contacts, and sings barbershop, an acapella style of distinctly American music, most recently with the quartet [A Work in Progress](#) in Columbia, Mo.

Born in the rolling hills of southern Indiana to Appalachian parents, **Sharon Gilbert** brings a rich heritage to whatever she writes. A childhood spent meandering along crooked, country streams and dancing in the tall grass of farmland meadows fed her active imagination. Her love of science and the arts led to a degree in molecular biology and a short career in opera, creating a patchwork personality that feels at home with many genres. Sharon has lived here, there, and everywhere. While living in Indianapolis, Sharon, whose name was then Sharon Ferguson, sang jingles with the likes of Sandy Patty and Steve Green, through whom she met David Clydesdale, then of Singspiration Music. As a born-again Christian, Sharon happily said yes to a one-year commitment as a featured vocalist with Clydesdale's CCM group, Life Unlimited, touring the continental U.S., Canada, and the U.K. Later, as an older student at both the University of Nebraska and Indiana University, Sharon studied human genetics, music, literature, and history, giving her a well-rounded approach to learning and a full quiver for writing. A lifelong interest in the supernatural and how it might be portrayed in fiction and on film has led Sharon to her current career as a writer of supernatural thrillers. Married to fellow writer Derek P. Gilbert (*Iron Dragons* and *The God Conspiracy*), Sharon is stepmother to a very gifted young woman named Nicole. **The Gilberts** also host the weekly Internet radio program called [PID Radio](#) and the online news sites [P.I.D. News and Watcher Magazine](#). Website: [pidradio.com](#)

**JEFFREY K. RADT ("Jred") – [LOOK UP FELLOWSHIP](#)**

At first glance, I'm just a skinny red-head with glasses who's pursuing the American Dream. My name is Jeffrey K. Radt (pronounced "rot") and I'm passionate about prophecy! Yet, make no mistake; I'm even more passionate about my Lord and Savior Jesus Christ! I'm married to an incredibly amazing woman who is not only my wife, but also my best friend. Add two kids to the mix (Luke is 4.5 and Amelia is 3.5) and life just doesn't get any better than this! I'm truly blessed! I'm also a Christian who masquerades as a Small Business Owner by day, a Husband and Father by night. I'm a God-fearing, America-loving man who is more Right than Left. I chose the moniker "JRed" because it seemed to make so much sense. The capital letters represent my initials and the color simply carries on the stigma I've lived with on top of my head my whole life. Please pray that God uses me and this humble ministry to plant seeds of faith within the lives of those who need them. He hosts a website [Lookupfellowship.com](#) and

also hosts the following Internet radio shows: "Right Now Radio", "I Want To Believe Radio", and "Kingdom Bound Radio".
