

Impending Danger

25 Message sessions, 5 weeksthis is the most important to date series I have ever done and I feel will lay a great foundation for the rest of 2012 and the time we all have left. What is that the world feels in the air and fears will happen in the near future? There is now a global 'consciousness' of knowing that something dark is coming. There are the black dark clouds of cataclysmic, catastrophic and chaotic presence and coming events..... 'felt' by billions and a sense of dark expectation. The question is why and what's it for, what's behind it all and how can we live and hope for a better future.

The quest for answers is sought from think tanks to the worker on the street. And the global embedding of dark propaganda ishas and is the driving force that is destabilizing and paving the way for a future new order

SECOND WEEK

IMPENDING DANGER

Personal implications!

WITH FIVE LIVE RADIO CONFERENCE BROADCAST MESSAGES THIS WEEK

Like the first week I will push the reason why we need to be alert more than ever in history. If we are at the end of the age....*the very end, then the ramifications are massive and historic.* The term 'IMPENDING DANGER' is true on so many levels. In this second week we will look over a more personal level. How the spiritual warfare will ramp up in the end of days and what part that plays in our personal lives. How do we know the reasons why the Spirit of God has called on us to ['be alert, awake and look for the impending danger'](#) so as to not be brought down by it and then do what's needed to fight these menacing dark developments. Since we are given a heads upwhy don't we and or the world take it? If your told there is a predator in your house seeking to kill you, then what do you do? What we will talk about this week is like that only worse. There is a thief who seeks to kill.....steal.....and destroy, do you know, know what to do and can you help anyone else?

4. THE ULTIMATE 'CHARGED OBJECT' GLOBAL CONTROL

[The 'ICON OF THE THERION' image of the beast \(see Revelation 13\)](#)

[11](#)Then I saw another beast, coming out of the earth. He had two horns like a lamb, but he spoke like a dragon. [12](#)He exercised all the authority of the first beast on his behalf, and made the earth and its inhabitants worship the first beast, whose fatal wound had been healed. [13](#)And he performed great and miraculous signs, even causing fire to come down from heaven to earth in full view of men. [14](#)Because of the signs he was given power to do on behalf of the first beast, he deceived the inhabitants of the earth. He ordered them to set up an image in honor of the beast who was wounded by the sword and yet lived. [15](#)He was given power to give breath to the image of the first beast, so that it could speak and cause all who refused to worship the image to be killed. [16](#)He also forced everyone, small and great, rich and poor, free and slave, to receive a mark on his right hand or on his forehead, [17](#)so that no one could buy or sell unless he had the mark, which is the name of the beast or the number of his name.

WORD OF HOPE FOR TODAY

[12](#)He pulled down the altars the kings of Judah had erected on the roof near the upper room of Ahaz, and the altars Manasseh had built in the two courts of the temple of the LORD. He removed them from there, smashed them to pieces and threw the rubble into the Kidron Valley. [13](#)The king also desecrated the high places that were east of Jerusalem on the south of the Hill of Corruption—the ones Solomon king of Israel had built for Ashtoreth the vile goddess of the Sidonians, for Chemosh the vile god of Moab, and for Molech⁴ the detestable god of the people of Ammon. [14](#)Josiah smashed the sacred stones and cut down the Asherah poles and covered the sites with human bones. [15](#)Even the altar at Bethel, the high place made by Jeroboam son of Nebat, who had caused Israel to sin—even that altar and high place he demolished. He burned the high place and ground it to powder, and burned the Asherah pole also.

CRITICAL ISSUES IN CONTEMPORARY SPIRITUAL WARFARE

Life and Church cannot go on as usual, we are not knee deep in new dark powers and encroachment....we and the world are neck deep in the broadest satanic layering the world has even known. From the top down the new age spirits of counterfeit light and the spin of 2012 supernaturalism has literally dazed and griped the world. And this doesn't even scratch the surface of the underground blood rituals that have grown to over 500 million in the last 50 years ([see 500mil here](#)).

Luciferic globalism -its doctrine and agenda- are now embedded in global thinking/feeling (consciousness's) and this only means one thing.....this present deception now aids the huge global gripping (Rev.12) deception to come. This week live while on the road to the [UN](#) and [Yale's 'Seth' material](#) library display ([a REEP trip](#)) Russ will bring a warning of this deep advancement of an ancient dark agenda and what can and must be done. Join me live....on the road for these *critical to know* contemporary spiritual warfare issues.

Impending Danger

FIFTH AND FINAL WEEK WITH FIVE LIVE RADIO CONFERENCE BROADCAST MESSAGES

IMPENDING DANGER

THE DANGER OF MISSING GOD, GOD'S LOVE, GOD'S FUTURE

Today you are here, tomorrow you may be gone. What is your guarantee of tomorrow? Can you control tomorrow? As the scripture says we are a 'vapor that appears for a while....a mist and then we are gone. Existence is remarkable, while some still question; where did we come from, why we are here and where are going" ... *others are planning for a future....for a forever.*

There are two futures that are both spiritually revealed and being received. One says: man is evolving and will transform....we shall be gods, they say a chaos/cleansing is coming but so is a transformation of humankind and an new golden ages will arrive. The other revelation and promise is this: the end of this fallen broken age/world is coming; it cannot and will not last. This biblical revelation of the future tells us that a great unprecedented evil is coming, that an unprecedented spiritual deception will seduce the whole world to join it.... and unequaled destruction will also follow. This biblical prophecy also tells of the coming of the Prince of Peace, the end of all radical evil, the glorification /an indestructible immortality ...a new humanity will appear and that new world, new earth, new heaven.....a whole new order come and will be the final everlasting existence.

And here is the good news, at this moment in time all of humanity is invited, wanted and provided for.....to be there in this ultimate future.

This biblical prophetic future is not only the best....it is for sure and the only one that is true.
