Human capacity, dark nature dark door

Human capacity, satanic/demonic agenda

NON HUMAN ENHANCEMENT 'PSI POWER'

1. Expanding human potential

A. PSI abilities

Clairvoyance

Telekinesis

Mind expansion

(Does the demonic give revelation, teaching, powers and abilities? DNHE)

B. PSI powers

Goat lab and the power to bend minds and hearts

PK man and PSI warfare

First Earth Battalion PSI/warriors

Chosen Ones...the master race and super soldiers

2. Remote viewing the new DNHE

A. Remote presence past future

B. Remote viewing and the passive 'un-conscious' mind

Eastern meditations... (the NSA intuitive)

C. Weaponizing remote viewing

3. Is remote viewing only a normal natural human ability? NO!

A. Remote viewing is similar to astral projection

B. Remote viewing needs 'outside' NHE to work

Just what is the NHE coming in from the 'outside'?

C. THE AKASHIC RECORDS..

Remote views are tapping into or being tapped into!

DNHE- akashic records and the spiritual realm

Some call this THE FIELD/The Collective Unconscious

4. DNHE is evidenced by the results

A. It is finite, flawed and inaccurate

B. It leads the experinecer away from God

C. It is incompatible with indwelling Holy Spirit

D. It leads to where old occultism drank from

F. It leads to real but lethally wrong experiences

G. It leads to a fake new age/occult jesus

H. It leads to revelations from DNHE...doctrines of demons

I. It leads to rejection of Bible and replacing it with new rev.

J. It leads to satanic synchronicity

- K. It leads to false security of 'spirituality'
- L. It leads to the core luciferian doctrine, promise and agenda

Core luciferian doctrine... God is bad and a substitute here
Core luciferian promise...evolution to deity (homolumis)
Core luciferian agenda...globalism and a new spiritual age

5. PSI offers, abilities and outcome has a source

- A. The satanic offer
- B. The satanic abilities
- C. The satanic outcome

PSI..energy what is it and where does it come from?

Behind all NHE 'energy' (experiential power and abilities) is the Entity that emanates or projects the felt...received energy (or power).

6. The bulging presence, power and agenda of DNHE

- A. The massive agenda is ramped up
- B. The massive agenda in the air, on the ground and in people
- C. The massive agenda is masked!, cloaked and only penetrated by the authority, power and presence of Jesus Christ

PSI powers, energies, abilities and the PSI agenda match that of the revealed satanic will/agenda that the Holy Spirit/Word of God/Christ warned about

THE SEQUENCE OF SATANIC EVOLUTION AND PSI POWER

1. Deceive the world
2. Enhance the world
3. Control the world
4. Use the world

THE END GAME OF PSI/DNHE IS THE:

‘EVOLUTION TO ARMAGEDDON’
