

MAJOR GOALS FOR SHATTER THE DARKNESS 2017

Thank you for taking the time to look. This is for those who are highly blessed and may have the gift of giving.

This page is made out of request (some have asked me 'what do you need')what I need for Shatter the Darkness, Ragged Edge Radio Worldwide and all of the field work. This would be enabled with to do so much more for 2017.

This is a prayer request list so I can fund all the work that is done and continue to grow it as God grants the resources. I thank anyone who has come to view it. I am grateful and without question ministry has increased to tens of thousands worldwide and many individuals on a personal level have been helped and ministered to. Thank you for your consideration, if you are a person of great ability and would like to invest in this work by helping with these or some or one of these items just let me Russ Dizdar know at Shattermailbox@yahoo.com

1. REEP SIIU MISSION TRIPS \$5000 for 2017

We will have about 10 - 15 out of state 'REEP' mission trips taking 5-10 Shatter workers for Rescue Evangelism Exposure Prayer. Usually these trips include seeking to help victims of ritual abuse/trafficking and may be a 1 – 3 day trips. We have been to 80+ cities and some over and over again where there is need.

2. SIIU EQUIPMENT & SURVEILLANCE EQUIPMENT \$12,000

With the need of a portable trailer for radio broadcast and surveillance we need computers, hot spot wifi, lights, night vision camera, outer gear, video equipment and tracking equipment. We have our vehicles and gear trailer but need more sophisticated equipment for investigations. Silent camera 'drone' with night vision/flir.

3. THE RAGGED EDGE RADIO CURRENT COAST \$32,000 PER YEAR

Currently I pay for the cost of our worldwide radio which is \$16000 per year for our current global reach by Global Star and Hot Bird satellite. But I seek to move to AM stations which will cost \$16,000 + depending on how many stations. This is a main part of Shatter work (thousands upon thousands of listeners worldwide) and from this over 32 million downloads of MP3s training courses and archives into 170+ nations have occurred.

4. THE SHATTER ON LINE TRAINING COURSES \$2,200 PER YEAR

To offer on line free courses for 200 -1500 (thousands of downloads of the audios) students and leave archives up for all others to access. This helps tens of thousands download from all over the world. You help to us helps thousands get free training that is vital for the days we live in.

5. SIIU VICTIM SAFE HOUSE AND SHATTER OFFICE/TRAINING BUILDING \$100,000

Our biggest venture, a safe meeting place for Shatter the Darkness SIIU that would include a safe house (for victims) with one full time staff and volunteer workers.

6. SHATTER REEP MISSION TRIP \$8000

TO RUSSIA, CROATIA AND BULGARIA. These are REEP mission trips focusing on research and evangelism. Two Shatter workers on a 10 day to two week mission trip each, this includes team members.

7. FUNDS FOR INVESTIGATIONS AND RESEARCH \$6000 PER YEAR

Investigations in the underground for exposure, engagement and research in books, locations and with persons. This is where we have turned over evidence to law enforcement and sought to stop ritual abuse crimes.

If you would like to talk to me about these goals: Russ.shattermailbox@yahoo.com Thank you.. keep us in your prayers also

This proposal will go to a few of our primary supporters and be placed up on our support page

THANK YOU!
