There is Reality ...then there is the Counterfeit fallen minds and confusion
?

Philosophy Field Trip

This is all about the nature of Truth and Reality. How do we know and know we know? What are the factors that lead us to reality and how do we avoid 'un-reality'? Is it just human reason that guides us? Is human reason flawed and in need of outside help? If so what and who do we allow in? In an age of major confusion with only more to come how do we sort it all out? With drug trips, 'aliens', spirit guides, angry atheism, new agism, 2012ism and a whoooooole lot more just give me the facts (truth). Is it spiritual light or Spiritual Light we want

1. MORE THAT BUNGLER IN THE JUNGLE

1) Ecc. 2: **17**So I hated life, because the work that is done under the sun was grievous to me. All of it is meaningless, a chasing after the wind. **18**I hated all the things I had toiled for under the sun, because I must leave them to the one who comes after me. **19**And who knows whether he will be a wise man or a fool? Yet he will have control over all the work into which I have poured my effort and skill under the sun. This too is meaningless. **20**So my heart began to despair over all my toilsome labor under the sun. **21**For a man may do his work with wisdom, knowledge and skill, and then he must leave all he owns to someone who has not worked for it. This too is meaningless and a great misfortune. **22**What does a man get for all the toil and anxious striving with which he labors under the sun? **23**All his days his work is pain and grief; even at night his mind does not rest. This too is meaningless.

2. THE BEAUTY AND THE BEAST....WHY?

1) The beauty

2) The beast

3) Why?

3. THE END OF SCIENCE, PHILOSOPHY, REASON AND TECHNOLOGY

Ecc. 1: **18** For with much wisdom comes much sorrow; the more knowledge, the more grief.
