

They are not what you think.....by design!

Billions know of the phenomenon and hundreds of millions believe they may be here. The ancient aliens phenomenon may not be random or the fairy tales of the few. This can be a coordinated and progressive engagement with humanity by being far superior to us. The issues are; who are they really, what do they really want and when will they make themselves known?

Is it all just bumps in the night and the illusions or drug induced experiences of some?

Are they an ancient alien race who placed humanity on this planet and now they are returning?

Are they a more advance race (s) who are observing us and examining us? But for what reason?

Are they going to 'disclose', invade or just play games as a cat does with the mouse?

#### WORD OF HOPE FOR TODAY:

##### 1 Corinthians 2

**6**We do, however, speak a message of wisdom among the mature, but not the wisdom of this age or of the rulers of this age, who are coming to nothing. **7**No, we speak of God's secret wisdom, a wisdom that has been hidden and that God destined for our glory before time began.

**8**None of the rulers of this age understood it, for if they had, they would not have crucified the Lord of glory. **9**However, as it is written:

"No eye has seen,

no ear has heard,

no mind has conceived

what God has prepared for those who love him"**b**—

**10**but God has revealed it to us by his Spirit.

The Spirit searches all things, even the deep things of God. **11**For who among men knows the thoughts of a man except the man's spirit within

him? In the same way no one knows the thoughts of God except the Spirit of God. **12**We have not received the spirit of the world but the

Spirit who is from God, that we may understand what God has freely given us. **13**This is what we speak, not in words taught us by human

wisdom but in words taught by the Spirit, expressing spiritual truths in spiritual words
