

NEPHILIM

RETURN OF THE GODS?

Let's take a fresh look at the 'Nephilim' issue and see if we are coming closer to 'contact'☺. If the Nephilim are what the Bible declares them to be....hybrid, and if they were here before and after the floodaaanndd.... If they are a fallen angel (demonic) and human mixed race then the subject is a massive study *even if it was just all ancient history*. If there is any reason they would be here again and or right now or if they were clearly coming again then how do we verify? Know? And respond?

"These rebellious angels set in motion *the vilest wickedness ever known to mankind.*" ...
