

# SHATTER THE DARKNESS LIVE RADIO BROADCAST

THEME FOR THIS WEEK MAY 23RD TO 27TH 2011

'WHERE IS HAROLD CAMPING NOW?' WHERE ARE THOSE WHO HAVE BEEN DECEIVED?

## RAMIFICATIONS

OF FALSE PROPHECY AND FALSE PROPHETS

### [THE AUDIO MINICAST OVERVIEW](#)

It is amazing to me that in the future hells quest will be to deceive and grip the hearts of 'billions'. Hells goal is the 'whole world' (see Revelation 12) and hell will have boots on the ground to do it. The arrival of the antichrist, the false prophet and the dark powers that will persuade billions is just around the corner. The May 21 debacle of Camping's false prophecy was bad enough: it evidenced what Jesus said about false prophets, how anyone who contradicts scripture can mislead and the thousands of those who did 'allow themselves' to get deceived. This week we will look into how you can know the difference, prepare yourself and how you can impact lives with truth.

The truth as a Person, Divine Communication, Written, in Spirit, confirmation and its consistency. How truth has its witnesses that confirm and verify.

With the May 21<sup>st</sup> debacle and the *coming super storm of a global level of false prophecy* don't you think it's time to embed yourself in the Truth of Christ and build your walk with God so deep ...nothing could move you away.

Ten questions.....can you be deceived? Later in the week, how will you score?
