

SHATTER THE DARKNESS LIVE RADIO BROADCAST
MAY 9 TO 13TH 2011
THEME FOR THIS WEEK

THE PHYSICS OF MIRACLES

THE POWER OF PRAYER, OF GOD, NEW AGE INTENTION? IS THERE ANYTHING
OUT THERE OR IS IT JUST A SILENT NOTHINGNESS?
THE POWER OF SELF, DARK SPIRITS OR THE PHYSICS OF GOD

What can we do to change the world? It does need changing doesn't it! Can we stop the bleeding or does humanity bleed to death amidst the struggle.....in this fallen jungle? What can we do for ourselves? How can we extend life, make it better or even live forever? Stop the war, stop the evil, stop the pain, wont some get me off this broken merry-go-round? Can humankind evolve to a godhood, is that what is needed? What is godhood? Are these the questions of transhumanists, atheists and even luciferian globalists? Why do we strive to leave what we are and become something beyond it? Who is in charge, is it chance, deistic evolution and what does the devil really want? These and other questions will be addressed on this week's shatter live broadcast.
