# 'THERION'

*THE BEAST, THE BEAST SYSTEM AND THE 'MAN' WHO SHAKES THE WORLD TO ITS CORE!*

He will be born counterfeit to the IMMANUEL/Christ of God and forged by the darkest of satanic power; he will be the most masqueraded being in human history and will rule the world by a seductive spiritual power. He will unleash the most enslaving political, economic and military power in all of human history. His appearance into the world will mark the end of history as we know it. There is massive intelligence on him: he has been profiled, unmasked, defined and exposed.....long before he ever speaks, long before we would ever hear this voice of an ancient hate.

Join Russ this week for 5 nights of insight to the 'man' who will shake the world
